## Free Hearing and Vision Screening

In partnership with the Painga Project, Kelvin Road School students have the opportunity to receive free hearing and vision screening this term. If further support is required, it will all be completed in school time and **ALL FREE** of cost with support of the Painga Project. Please make sure you sign this permission slip and return to school as soon as possible.

### Room 21

Mrs Warren

We have been having a blast getting to know all the smiling faces from Room 21. We have been learning about Te Whare Tapa Wha and in one of our images everyone is showing how they would do yoga to help with our taha wairua. We have been talking about how important it is to have a good night sleep to help us function daily. Room 21 has been enjoying riding bikes and swimming together with Room 15.

## Principal's Awards - Term 1 Week 4

# Room 13

Ms Clifton

Room 13 has had a fantastic start to the year. We have been learning all about keeping ourselves safe. Students identified their safe people in their whānau, their extended families and friends and their communities, like our teachers. We created circles of trust to show who these people are.

We have also been learning about safety online, focusing on digital citizenship, keeping personal information private and asking for help when we need it. From there, we have been exploring some basic coding concepts, such as learning what a code, event and loop are and how they make computers work. We created short 'codes' of dance moves, looped our codes and changed codes when events happened, just like computers do.

# Whānau Day

Our annual Whānau Day was held last week with gorgeous summer weather.

All of our tamariki were involved in various fun activities; including sponge relay, tug-o-war and rippa tag. It was great to see everyone building positive relationships and fairplay across all year levels.

Thanks to all of the whānau who supported tamariki on the day.
