Our thoughts go out to our school whānau who are recuperating or isolating at the moment.

Those students onsite have had another wonderful week of learning both inside and outside the classroom. The pool and bike track have been a favourite with all the children in this hot weather.

Room 21

It has been a fun start to the term and it is lovely to see the happy faces of our tamariki back at school. **Room 21** has been working with making patterns and identifying number patterns. We have been spending a lot of time outside including learning how to ride a bike and cooling down in the pool. I am looking forward to seeing more and more students coming back to school and having fun learning new things.
