Te Haerenga ki WERO Water Park - Ruma 4

Our Year 7 and 8s were fortunate to be able to go to WERO Whitewater Park in Manukau to participate in a KiwiSport Summer opportunity for year 7 to 10.

We had an instructor, Erin, who guided and encouraged us through the safety requirements and equipment before taking us out onto the water park for some kayaking fun.

Ngā mihi ki Sarah C - Painga Trust, Tracey-Lee Dalton - CLM Counties Manukau, Erin me ngā kaiwhina katoa.

Swimming skills

Room 16 and 18 are loving their swimming lessons in the school pool. We are working hard to refine and improve our freestyle swimming, and learning backstroke and breaststroke. At the beginning of the year not many of us could swim a whole length, but now most of us can!

Next, we are going to be learning how to dive and how to keep ourselves safe in and around all sorts of water, such as at the beach or in a lake.

Board of Trustees reporting - Meeting 16th March

The BoT expressed their pride in our staff in managing so well at this time. The children seem settled, staff are being supportive of each other, taking on extra duties etc. Management are keeping the school open and managing a range of difficult situations in such changing and challenging times.

A visitor walking into the school would see 'business as usual'. Well done to all of you for working so hard for the students, community and each other.

- **Policies reviewed:** Crisis Management, Covid-19 information and procedures, Covid-19 Red.
- Next Meeting: 17 May 2022**

Emergency evacuation drills

We will be holding emergency evacuation drills early next week. This gives the children practice of what they need to do in the event of a fire or when they need to evacuate the class.

We will be testing that the classes can hear the alarm and we will be practising safe exiting of the classes within our hubs so that our social distancing and health and safety practices are not compromised.

Important - Updated contact details

If you have had a change of address or phone number please contact the school office as soon as possible to update your child's file.

It is vital we have correct contact details in case an emergency occurs at school involving your child and we need to contact you.

If your child presents with any symptoms whilst at school we need to be able to contact you immediately to collect them from school.

**The following children received certificates this week.
Well done to all of them!
