It is wonderful to see our children returning to school, we have had our highest attendance percentage this term, 63%.

We would love to welcome more to come and enjoy learning and fun with their teachers and peers.

Rūma 5 has been learning science technology. Tamariki have been ordering code to successfully complete the given task. From protecting angry birds to creating spirits.

Tauira have also been learning how to create a google form, collect data and present it to the class.

Whaea Maria

Magic Box

Thanks to the team at HAL (Healthy Active Learning) we have been given a big container of loose parts to use in the playground. The juniors have put the tyres and plastic reels in the sandpit and are already putting them to good use. There are a lots of cool bits and pieces for the children to use under close adult supervision. Lots of maths was happening in our session in the sandpit; shapes, size, patterns, counting, adding and subtracting!

Last week the new entrants in **Room 6** had great fun learning the letters C and K, they made Crowns and were Kings for a day!

New Entrant transitions

If you have a 4 year old that is close to starting school they will need to have three class visits before they officially start school. These can be organised at the school office. Please contact (09) 298 8417 and speak with the school secretary.

Important - Updated contact details

If you have had a change of address or phone number please contact the school office as soon as possible to update your child's file.

It is vital we have correct contact details in case an emergency occurs at school involving your child and we need to contact you.

If your child presents with any symptoms whilst at school we need to be able to contact you immediately to collect them from school.

PROBLEMS	SOLUTIONS
Uniform dirty/wet	Send your child to school in mufti and we can provide a uniform for the day which they return before they go home.
No lunch	Lunches are now provided for every child, every day. They also receive fruit everyday for morning tea.
No breakfast	We have a breakfast club that runs 5 days a week from 8:00 am - 8:30 am. Everyone is welcome to come along for some weetbix.
Raining	The school provides raincoats through Kidscan to help children dry on the way to school. Another way to help is to put your child's uniform in a plastic bag in their school bag and when they get to school they can get dry and changed back into their uniform.
Head Lice and skin infections	If you have given consent our nurses onsite can see and treat your children for free if you have concerns with head lice or skin infections.
No one home in time to pick after school	SKIDS provides an after school care programme. They also offer WINZ subsidies. Their contact details are 09-265-2422 or 021-300-146

Please **DO NOT** park in the school driveway in front of the main gate. This is our only entrance for staff and deliveries and when it is blocked it causes congestion and delays on Kelvin Road.

Uniforms

Thank you to those parents that are sending their children to school in correct uniform. Please remember the Kelvin Road School uniform consists of a blue polo shirt and navy blue shorts. These are sold at The Uniform Shop on Wood Street in Papakura.

Please ensure all clothing is named, this makes it much easier to find items when they go missing.

SchoolDocs - Policies and Procedures

If you would like to view any of the school's policies or procedures you can view these at any time using the login below.
