Thank you to everyone who took the time to participate in our Three Way Conferences held last week. It was lovely to see so many parents and caregivers here to meet with teachers. Thank you also to those that used the zoom option to meet.

Mrs Tanner, Mr McMillan, and Mrs Davis thoroughly enjoyed catching up the parents and caregivers who took part in the consultation survey, there was a lot of useful feedback given. As promised those that completed the survey went into the draw for one of three \$50 countdown vouchers and the winners were:

- Kahu Rangi-Dixon
- Ria Williams
- Ngamiri Kukutai

We would like to also thank Kirti Kirti who's name was originally drawn but she kindly asked for the voucher to be donated back and another name drawn.

Room 10 and Room 18 have been participating in tuakana teina together. Room 18 taught us how to make cup telephones as an introduction to communication. We loved feeling the vibration and our minds were blown when we could actually hear our buddies voices!

Whaea Misty

We were very lucky to have a visit from one of our past Principal's Mr George Keown and his wife Peggy last week. He had a lovely wander around our beautiful school and enjoyed look through our archive photos. Lots of memories for him. Mr Keown now lives in Scotland and was just in New Zealand for a visit.

Botanical Gardens Trips

Te Whatitoka, the Junior School and Middle school enjoyed their trip to the Auckland Botanical Gardens this week.

They learnt about the life cycle of a kowhai plant and the insects that help in the pollination of flowers. They found the sculptures and water features interesting to look at. The little parts of the flowers were clearly visible under the magnifying glass during the educational classes.

New Entrant transitions

If you have a 4 year old that is close to starting school they will need to have three class visits before they officially start school. These can be organised at the school office. Please call (09) 298 8417 and speak with the school secretary.
