Kelvin Road School Board of Trustees News

It is with a heavy heart that we say farewell to our Board Chair Roland Olago. Roland has been a part of our school community for many years, first as a parent, then as a Board member and later as the Board Chair. We really appreciate the time and effort Roland has invested into Kelvin Road School over the years and we wish him and his family all the best with their new adventure in Australia. Good Luck Roland. You will be missed.

News from Room 8

We were privileged to have the Life Education bus visit our school. We were greeted by the Life Education teacher - Daniel, and looked forward to some wonderful learning.

We learned about Warm Fuzzies and Cold Pricklies and how to fill our buckets with good deeds and thoughts.

Harold came to our Junior School Assembly.

He was wonderful.

We love Harold!

Dental Van

The Dental Van is currently at school and will stay with us until Friday 25 November

Term 4 Swimming

Our Year 5-8 students started swimming this week. The Year 0-4 students will begin in Week 6. The students who went today said the water was beautiful and some even said it was warm. Please make sure your children bring their togs and towel. **Swimming is a life skill and vital part of the curriculum.** Children who are not swimming must provide a parental note with an explanation as to why their child is not swimming. We encourage parents to provide goggles and swimming caps and a study waterproof bag.
