E taea ana koe te mahi i te whakawhiti rori kia noho haumaruru ngā tamariki.

E kaha ana tātou ki te ako i te whakatakotoranga o te mihi māori.

News from Room 21

As we started the Term with rain and flooding, Room 21 learnt about different kinds of storms and how to be safe when we have dangerous weather or flooding. As a class we used pastels to create what we thought a cyclone looked like as shown on the weather channel. As we are also focussing on algebra, we used a pattern to create an optical illusion.

News from Room 13

Room 13 has had a great start to 2023. We have recently been learning more about each other and trying new things. As a part of this learning we created Picasso inspired self portraits where students had to take inspiration from Picasso's art, and take risks by making a non-traditional portrait for themselves.

Students were encouraged to use warm and cool colours in their art to create contrast and interest in their work.
