Room 10 Whaea Misty

In Room 10 this term we have been exploring States of Matter. We have made slime (unsuccessfully) and gloop using shaving cream and shampoo! We loved exploring the texture and of course making a mess! Our students also loved experimenting with sherbert! Who knew yucky ingredients could taste amazing when mixed together!

Room 6 Whaea Lisa

As often as possible the students of Room 6 connect the environment and the world around them to their learning. This week we are learning the letter N; N for Nature. We went for a walk around the school looking closely at trees and shrubs to see what interesting things we could find in the biodiversity of our school. When we returned to class, we created picture plans and wrote a simple sentence about what we found! What a great way to learn and connect with Te Taiao!

The following children received certificates in Week 5 and 6, Term 2. Well done to all of them!
